

Type of partner
Consulting

Area of specialty

Joint Commission survey readiness consulting, CMS Conditions of Participation, patient safety and sentinel events

How AYR Consulting Group can help:

- **Consultation:** AYR Consulting experts conduct assessments to review areas with a fresh perspective and provides you and your staff with support onsite, electronically and/or by telephone.
- **Education:** AYR's consultants are skilled presenters with experience in educating medical staff and governing boards on standards
- **Staff preparation for survey:** Through education, mock surveys and/or specific system assessments, AYR prepares your staff to present the care they deliver and be successful at survey time.
- **Continued survey readiness:** Provide ongoing support and special pricing to assist your hospital in offering quality patient care and responding quickly to changing or evolving standards and regulations.

PARTNER PROFILE

AYR Consulting Group

Expert team of healthcare professionals dedicated to helping you deliver quality healthcare and safer patient care

AYR Consulting Group has been providing Joint Commission survey readiness services to healthcare systems, hospitals and long-term care facilities for more than six years. This includes announced and un-announced mock surveys, onsite consultation, educating hospital executives and staff. In addition, we provide offsite consulting services to assist with continued survey readiness, Centers for Medicare & Medicaid Services (CMS) Conditions of Participation, preparation for Joint Commission surveys, Periodic Performance Review (PPR) assistance, sentinel events and the development of evidence of standards compliance following a survey or PPR.

Our clients include University of Miami Health System, Vanguard Health System, Sisters of Charity of Leavenworth Health System, Community Medical Centers and Baptist Health System of San Antonio, Texas.

AYR Consulting is also part of The Virtual Consulting Group, a collaborative resource for ancillary risk management and patient safety services and products. Its offerings include consulting services from well-recognized firms and consultants with expertise on governance, accreditation, environment-of-care and health information management.

RL Solutions designs innovative healthcare software for patient feedback, incident reporting & risk management, infection surveillance and claims management. At RL Solutions nurturing long-lasting relationships with our clients is what we do best. We have over 600 clients, including healthcare networks, hospitals, long-term care facilities and more. RL Solutions is a global company with offices in Canada, the United States, Australia & the UK.
